**MEMO: LRRCN Staff and Membership**  
**RE: LRRCN Aggressive Measures for COVID-19**

Tansi Netotemmak,

Effective immediately, all community and social events that were scheduled to be held within our 3 (three) communities (John D'Or Prairie, Fox Lake, Garden River) are to be postponed until further notice, due to growing concerns over COVID-19.

Anyone who is currently outside of the country or is returning from another country will need to self-isolate for a minimum of 14 (fourteen days). Anyone exhibiting symptoms must be tested prior to returning to Little Red River Cree Nation. Hotel costs will be covered and there will be no disruption associated salary or pay. Persons who are affected with this measure do not have to worry about losing their employment with the Nation. As we are now adopting Aggressive Measures to ensure the safety of our members and to limit any potential spread within our communities.

LRRCN Post-Secondary Students who wish to return to their families can do so and their funding will not be affected once the COVID-19 virus is no longer a threat to our members and the general public. Nation offices, health centres, schools and daycare centres are still scheduled to remain open or until the situation changes. Please watch for additional updates as we are closely monitoring COVID-19.

Please Share.

Thank you,

Chief Conroy Sewepagaham
