RE: Curfew Extended

Tansi Netotemmak,

Effectively immediately, we will be extending our Nationwide Curfew Hours, which was placed on March 20th, 2020. With the spring days growing longer and with warmer weather coming.

So, with that being said our new Nationwide Curfew hours will now be in place from 10:00 pm to 8:00 am (only essential staff delivering goods or providing critical services will be permitted on LRRCN local roads).

Any vehicle or persons not authorized to travel during these curfew hours will be sent home.

Please Share.

Thank you,

Chief Conroy Sewepagaham,
