Re: End of Garden River Lockdown COVID-19

To Nation Residents and Members,

Our EMT and Chief and Council met this morning to discuss the results of COVID-19 testing yesterday.

Positive Cases and Contacts:

- We still only have 1 household with positive cases and they will continue with isolation as directed by our Nursing Team.
- There are 35 people who have been identified as non-household direct contacts of positive cases.
 - They have all tested negative 7 days after exposure
 - **All of these people need to continue their self-isolation in their home/yard and away from other household members for the FULL 14 DAYS.**

Community Restrictions:

- Garden River Lockdown is lifted as of today December 17th, 2020 at 1pm.
 - People can leave their homes to go to town if needed
 - Garden River Perimeter Security will remain in place
 - Downsized Community Security will remain in place
- **NO VISITING. In all 3 communities. This is already Alberta Health Law.**
- Intercommunity Travel ban will remain in place until contacts are finished their isolation, Dec 24th, 2020. We will continuously assess in case this ban needs to be extended.
 - Essential workers exempted for work purposes
 - People can go home if they were stranded in another community.
- Perimeter security will remain in place in JDP and Fox Lake as well

Thank you,

LRRCN Emergency Management Team
