Re: New Restrictions in Alberta regarding COVID-19  
Gatherings as they pertain to work

To all Nation Staff,

New Alberta Health Laws will be followed in LRRCN. We have a responsibility to work with the rest of Alberta to stop the spread of COVID-19. These measures will last at least 3 weeks. They can be enforced by RCMP with a fine of \$1000 to individuals, or \$100 000 through the courts.

This is how LRRCN will apply the new Alberta Social Gathering Laws with respect to Nation Business:

- Staff Meetings, Trainings and Client Workshops can still go ahead as planned with public health measures in place
  - Must have enough space to social distance at least 2 meters.
  - Maximum of 10 participants at workshops
  - All participants must wear a mask correctly (over the nose and mouth snugly)
  - Frequent hand hygiene
  - Do not attend if you are sick. Get tested and stay home until well.
  - Disinfect High Touch surfaces and shared items (try not to share items)
  - Single serving food and drinks only.
  - If possible, do virtual meetings and training instead

Organizers are responsible for ensuring these measures are followed. If you can postpone these meetings until after the laws are no longer in effect, Managers may do so at their discretion.

Thank you,

LRRCN Emergency Management Team
