

LITTLE RED RIVER CREE NATION

February 16th, 2021.

Re: MEDICALS

To Nation Residents and Members,

- All people who are currently out on medicals can come home, of course.
 - Please phone your family ahead to figure out if you are coming home to an isolating household.
- If people can hold off on going out for appointments while contact tracing and testing are being done, that would be best.
- If you were named as a contact of a positive case or went to the funeral, but also have a medical appointment. Please phone the office of your appointment and explain the situation. They might reschedule, or they might take extra precautions if it's an urgent appointment.
- If you cannot reschedule your appointment, you can go. Please notify checkpoint staff you are going out on a medical and follow all COVID-19 guidelines while away.

Thank you,

LRRCN Emergency Management Team
