Re: COVID-19 Vaccine Clinic

To Residents of Fox Lake,

We wanted to inform people:

- IT IS SAFE to come to the COVID-19 vaccine clinic at Fox Lake Elementary School. We are carefully following all COVID-19 protocols such as screening at the door, social distancing, hygiene, and mask use.
- You will NOT get COVID-19 at this clinic.
- Immunization is the best way to protect yourself and your family from this virus.
- The faster we can get people vaccinated, the faster our community will be protected.

Please stay home and wait to be immunized if:

- You have been asked to isolate
- You have cold or flu type symptoms

**18 years old and up please.

Thank you,

LRRCN Emergency Management Team
