Re: Questions about the COVID-19 Vaccine

To Nation Residents and Members,

Some people are still on the fence about getting the Moderna COVID-19 vaccine when it comes to LRRCN. This is understandable.

The EMT has set up an email address to send COVID-19 vaccine questions to. A local Registered Nurse will answer your questions about the vaccine.

If we don't know the answer, we will reach out to the experts at the CDC. You can also send questions or concerns about the COVID-19 virus to this email. **If you would like a phone call back, please state that in the email with your phone number.**

Please email your questions to: covid@lrrcn.ab.ca

If you don't have access to email, please phone your LRRCN DEMs and they will relay the message for you. Daytime, Monday to Friday is best:

- Dwayne Laboucan LRRCN DEM- 780-759-2003
780-759-3912
- Roberta Alook LRRCN DDEM- 780-759-2347
780-759-3010

Thank you,

LRRCN Emergency Management Team
