Re: Sister Gloria School re-opening for in class learning Monday January 18th, 2021

To all LRRCN Residents and Members,

The EMT, in collaboration with the Department of Education have decided it will be safe to open Sister Gloria School for in class learning on Monday, January 18th, 2021 for all grade levels as per Alberta Health Guidelines.

The employees and students at the school have done a fantastic job following COVID-19 protocols. Because of this, we have not seen any spread within the school while we had cases of COVID-19 in December or January.

A big thank you to the Department of Education! You should be proud.

Please be advised that all close contacts will have to continue their isolation until the dates given to them by the Health Center contact tracing team. This includes any students or staff.

Anyone who has cold or flu like symptoms must not attend school/work. They should book an appointment for a COVID-19 test at the Health Center, and follow instructions given to them by Health Center staff.

Thank you,

LRRCN Emergency Management Team
