**Re: Extreme Cold Weather Warning**

To Nation Residents and Members,

Due to the extreme cold weather that we are having for the next week or so, please don't let your children play or walk outside due to risk of frostbite.

If you see someone walking on the road, please pick them up if safe to do so. Keep extra masks in the vehicle for any unexpected passengers.

We don't want to see anyone losing fingers, toes, ears or noses.

Thank you,

**LRRCN Emergency Management Team**
