**Re: Garden River Lockdown Continues - COVID-19**

**To all LRRCN Residents and Members,**

The COVID-19 situation in Garden River continues to evolve. The EMT and Garden River NIC updated Chief and Council yesterday on how contact tracing is going and what we can expect to happen in the next couple of days.

**Garden River will continue to be on lockdown until further notice as the possibility of this virus spreading through the community is still high.**

All Essential Workers (who are not on isolation), must still go to work. Please speak with your Supervisor to confirm if you are an essential worker. Please follow all Public Health Guidance while at work.

**Please do not leave your homes/yards unless you need medical attention or are an essential worker. All vehicles must stop at the checkpoints in Garden River. Please do not drive by our security teams without stopping regardless of your role.**

If you need food:

- Phone Sister Gloria School to arrange for a food package to be delivered to your home. Dry goods and some meat if available.
- Make an online order with Independent in High Level and contact Mary Lou Grande 780-759-2522, or on Facebook. She can arrange to have it delivered. Please see the Post on LRRCN Facebook page.

Please check in on your Elders to make sure they are ok, and support those who are on isolation as best you can.

Thank you,

**LRRCN Emergency Management Team**
