## *Attention All Community Members LRRCN Health Facilities*

In an effort to maintain the wellbeing of community members and staff, please be advised of the following **COVID-19 PROCEDURES:**

1. If you have any of the following symptoms, please **STAY HOME and call 811**. Or take the online self- assessment tool at this website:  
<https://myhealth.alberta.ca/Journey/COVID-19/Pages/COVID-Self-Assessment.aspx>

- Sore throat
- Cough
- Fever
- Runny Nose
- Nasal Congestion
- Sneezing

**Follow the advice 811 or Self-Assessment Result Give you  
If advised to go to the hospital, PHONE YOUR HEALTH CENTRE FIRST**

2. Doctor's Day will be by appointment only. Any changes to Doctors day will be posted on this site. Please come at your scheduled time.
3. If you need to be seen for other Health Concerns, please call the clinic to speak to the TRIAGE NURSE during clinic hours to notify the staff that you will be coming and to allow the staff to triage or assess your concern accordingly.
4. Please be mindful of how many people will be joining you at the clinic. We ask that all patients 18 years of age and older visit the clinic by themselves, unless they need a translator. **One (1) child** is to be accompanied by only **one (1) responsible adult** at a time when being seen at the clinic.
5. Only life threatening emergencies determined at the discretion of the Nurse/Paramedic on call will be seen at the clinic after 5 pm and on weekends.

**Thank you for your cooperation in this community effort  
to keep everyone safe and healthy.**
