

LITTLE RED RIVER CREE NATION

January 8th, 2020.

Re: Intercommunity Travel Ban in Effect Immediately

To all Nation Residents and Members,

Intercommunity Travel Ban

- After discussion between our EMT and Chief and Council last night, it was decided we will put in an intercommunity travel ban as before.
- This will help to protect the communities of Fox Lake and John D'Or in case we miss any contacts during our tracing.
- People from John D'Or and Fox Lake will still be able to go to town to get supplies, etc
- People from Garden River will have to wait to go to town until the lockdown lifts (see previous post)

Exception for immediate family members of the deceased

- Residents of John D'Or and Fox Lake who are immediate family members and wish to support their family in grieving can go through the JDP and Fox Lake checkpoints
- Immediate family can phone our DEM and DDEM for permission starting Friday morning
 - Dwayne Laboucan DEM 780-759-2003
 - Roberta Alook DDEM 780-759-2347
- Unfortunately, the residents of Garden River will not be given permission at this time as it still poses too much of a risk for possible spread until the lockdown lifts
- Please keep in mind funerals and wakes are high risk for COVID-19 spread. There should be no more than 10 people in the building. People must wear masks, sanitize hands, stay 2 meters from non-household members, not go if sick, and not go if on isolation.
- Please ask family if there is some way you can support each other from a distance. Phone, facetime, etc.

Thank you,

LRRCN Emergency Management Team
