

# LITTLE RED RIVER CREE NATION

---

August 25th, 2020.

**MEMO: LRRCN lifting of lockdown**

**To Residents of LRRCN,**

In regards to the recent lockdown of LRRCN to enable timely contact tracing, testing of COVID-19 contacts, and education; the Health Staff involved in this process feel confident that we can lift the lockdown.

**Effective at 8am Tuesday August 25<sup>th</sup>, 2020 the COVID-19 LRRCN lockdown has been lifted.**

Nation offices and businesses can open back up with COVID-19 protocols still in place and employees can return to work. Please ensure to continue with Social Distancing (2meters), hand washing, and mask use are practiced diligently. Please ensure any Contractors who come into LRRCN are following the same rules.

**All residents and employees who have been told to SELF ISOLATE must continue to do so until the date given to them by the Health Staff. This is Alberta Health Law and there is no wiggle room. We need to ensure that this sickness does not spread any further.**

The checkpoint restrictions will return to how they were last week, before the lockdown was called. School shopping, hunting, traditional gathering and medicine, post secondary student activities, medicals (must have a pass). Essential services as well.

**The John D'Or Prairie Health Center will remain closed for emergencies only. However if you would like to be tested for COVID-19, please call and make an appointment. We have extra staff here this week to help speed up this testing.**

Thank you,

**LRRCN Emergency Management Team**
