**RE: Visiting Essential Staff require PPE while working in LRRCN**

Tansi Netotemmak,

In an effort to reduce the risk of COVID-19 coming into our vulnerable communities, and to help our membership feel safe during this stressful time; we request that all employees from Fort Vermilion, La Crete, High Level (or anywhere outside LRRCN) who are travelling here to provide essential services, please wear masks and gloves while performing their work.

Please provide your employees with this PPE, as well as hand sanitizer, and training to use these resources appropriately.

We appreciate your cooperation in our continued efforts to keep our members healthy and safe,

Please Share.

Thank you,

Chief Conroy Sewepagaham
