

LITTLE RED RIVER CREE NATION

March 2nd, 2021.

Re: COVID-19 Vaccines LRRCN Update.

To Nation Residents and Members,

We have many doses of Moderna COVID-19 vaccine left in Fox Lake and turnouts are getting lower each day.

Unfortunately, these vaccines only have a 1-month shelf life. At the end of day March 15th, if they are not used, the left-over doses have to be thrown away. But these life saving vaccines are so valuable, we will not let them be wasted.

**Starting tomorrow, Wednesday March 3rd, 2021 at 12pm
we will open up COVID-19 vaccine clinic to
residents of JDP and Garden River
who are 18 years old and up**

**Clinic will still be held at FLE in Fox Lake
Regardless of community of Residence**

*Fox Lake Residents will still be able to come and get the vaccine too.

Thank you,

LRRCN Emergency Management Team
In collaboration with ISC
