

The Paskwa Fire (HWF030) | May 21, 2023 at 9am

The Paskwa fire is located in the community of Fox Lake and was detected on May 2, 2023. This fire is classified as Out of Control (OC) and the last recorded size is 72, 012 hectares. The fire is 1km inside the Wood Buffalo National Park boundary and is approximately 8km from the community of Garden River.

Today, crews will continue work to secure the northeast perimeter of the fire working along the retardant line on the flank closest to the community of Garden River and working south towards the oxbow lake.

Work continues in the community of Fox Lake to create safe conditions to allow for re-entry, beginning with temporary access and escorted community visits. The Incident Management Team is working closely with the Little Red River Cree Nation to develop a timeline for when these visits may be able to occur. Access to the Little Red River cultural heritage site will also be facilitated once escorted visits to the community begin.

Crews will continue to create an extinguished perimeter of approximately 30 metres around every structure in the community of Fox Lake, this objective will take time given the number of structures in the community.

Last night a specialized drone equipped with infrared cameras continued scanning in the community of Fox Lake. The flight identified remaining hot spots in the scanned area, which have now been mapped and provided to crews to assist with ongoing extinguishment work. The drone will continue to operate at night over the coming days surveying hot spots on the fire to help speed extinguishment.

ATCO crews are also working in Fox Lake to restore power and repair damaged lines.

There are 75 firefighters, 10 helicopters, and heavy equipment working on the Paskwa fire. Air tanker support is available as requested.

Little Red River Cree Nation has an evacuation order in place for the community of Fox Lake. The community of Garden River remains on an evacuation alert. For information regarding the evacuation, please stay informed by visiting the Little Red River Cree Nation's Facebook page.
