## **RE: Homes Lost to the Paskwa Fire In Fox Lake**

We hope this letter will serve as a clarification regarding our people who lost a home to the Paskwa Fire through our Fox Lake, AB community.

Chief and Council agreed weeks ago that anyone who lost a home would have the choice to either have a basement home (stick built), a ready-to-move home (RTM), or a mobile trailer to replace the homes lost.

In addition, multiple families living in a home lost to this fire will also get a home of their choice.

We also recognize that we have families who have children who have lost temporary dwellings such as cabins, tent frames and living shacks from this Paskwa fire. People living in these dwellings will also get a home of their choice.

Sincerely,

*Conroy Sewepagaham*
