## **Memo: Fox Lake Home Visits June 20, 2023**

Between Friday June 23 to Tuesday June 27 we need at least 80 Fox Lake Homeowners who have a home in Zone 1, 2, 3, 4, 5, 6, 7, or 8. We need you to schedule a visit to Fox Lake so we can start turning off electrical breakers and so we can test the smoke damage in some homes.

Please note only kids aged 16+ can visit Fox Lake.

You will need to:

1. Meet at the barge on your scheduled date and time
2. Travel to Fox Lake with a community member
3. Enter your home and turn off your electrical breaker
4. Meet an environmental tester to test your home for hazardous material from fire smoke.

We are booking:

Friday Zones 1 and 2  
Saturday Zones 3 and 4  
Sunday Zones 5 and 6  
Monday Zone 7  
Tuesday Zone 8

You can now call the call centre at (587) 743-1806 to schedule this. First come first served.

The faster we can get the 80 homes tested and the breakers turned off the faster we can reenergize Fox Lake and start booking homeowners to clean their house and move back in.
