

CARIBOU MOUNTAIN HOMES

JOB POSTING

Position: Apprentice Electrician

Company: Caribou Mountain Homes

Location: High Level, Alberta

About Us: Caribou Mountain Homes, a leading home manufacturing company located in High Level, Alberta, specializes in crafting ready-to-ship homes that are energy-efficient, cost-effective, and exceptionally durable. As part of the Little Red River Group of Companies, we benefit from strong partnerships and access to resources that enable us to deliver high-quality products and services throughout the region.

Job Description: As an apprentice electrician you will work along side our experienced journeyman electricians assisting in installing all components to electrify and power to our units. Your responsibilities will include lifting and moving materials, installing wiring, plugs, switches, and other electrical components, as well as maintaining a clean working area.

Qualifications:

Willingness to work hard and learn

Desire to pursue a career in electrical and obtain journeyman certification

Some experience in trades and construction preferred, but not required

Training and Development: We provide in-house safety training and support your progression through a 4-year apprenticeship program, leading to journeyman certification.

Work Environment: You'll work in our well-equipped building shop and on-site locations, often in remote areas where lodging and meals are provided.

Team Dynamics: You'll be part of a dynamic team of skilled professionals, including carpenters, electricians, plumbers, and laborers.

Benefits: After probation, we offer medical and dental benefits.

Timeline: We are actively looking to fill this position with the right candidate.

Company Culture: At Caribou Mountain Homes, we believe that our people are what make us great. Our people are hard workers, who seek to be excellent in their chosen fields and seek to not only better themselves, but those around them as well.

Work Hours: Regular shift work at our Homes Facility 10-hour days, Monday through Thursday.

Scheduled site work could involve 8–12-hour days, Monday through Friday, depending on location and project requirements.

Compensation: Wages are based on experience and reviewed annually.

Application Process: Please email your resume and cover letter, including a callback phone number, to cmcresumes@cariboumountain.ca attn: Homes
