## Rescheduled SPUR COMMUNITY MEETINGS

Tansi,

The Chief and Council of Little Red River Cree Nation is requesting community members join them for a meeting and supper in each of the communities. As you know the meetings were cancelled last week because of the passing of one of our oldest elders in Garden River. The topic of the agenda will deal with the SPUR Exploration program being proposed for South of Fox Lake and further community input. The meetings will start at 4 pm and supper will be provided. Currently, we are proposing the meetings take place in the school of each community.
